**Sian Mulholland MLA**  
**Northern Ireland Assembly**  
**Parliament Buildings**  
**Ballymiscaw**  
**Stormont**

**AQW 5975/22-27**

**Sian Mulholland has asked**

The Minister for Communities for an update on the implementation of the recommendations contained within the Investing in Creative Delivery report.

**Answer**

The report by the Culture, Arts and Heritage Strategy Taskforce – Investing in Creative Delivery – is informing the development of a Culture, Arts and Heritage Strategy. My officials are progressing this, engaging with local and central government prior to relevant engagement and public consultation.
