ABOUT US

Luail - Ireland's National Dance Company, established in 2024 with funding from the Arts Council / An Chomhairle Ealaíon, has a remit to embody, embed and empower dance across the island of Ireland, and to lead into a future that transforms how we make, know and experience dance.

In collaboration with our partners at the Irish World Academy of Music and Dance, University of Limerick, and Maiden Voyage Dance NI, we are creating an island-wide platform for dance collaboration and development. We aim to strengthen the existing dance ecosystem, advance the artform, and provide pathways for artists to create ambitious work that offers distinctive, high-quality experiences for both dance artists and audiences.

The company's remit is island-wide but will be based in Dublin for this phase of its development.
